- Candelabra-Std. Base:** A candelabra-shaped bulb with the same size base as a typical incandescent bulb.
- Candelabra-Mini Base:** A candelabra-shaped bulb with a smaller base than a typical incandescent bulb.
- Clip-on Shade:** A type of lamp shade that mounts directly onto the bulb.
- Indoor Flood-Small:** Bulb diameter of about 2 and one-half inches.
- Indoor Flood-Medium:** Bulb diameter of about 3 and three-quarters inches.
- Indoor Flood-Large:** Bulb diameter of about 5 inches.
- Dimmable:** Bulb brightness is adjustable using a dimmer.

**Harp Adapters:**

Harp adapters /extenders can easily be installed on lamp fixtures to create more space for CFLs to fit properly in the event that CFLs are too large to fit under the harp of lamp fixtures. Harp adapters are available for free from Preston Public Utilities.

**Rules and Regulations:**

1. Must be a residential electric customer of Preston Public Utilities at the time of CFL delivery to receive free CFLs. Delivery will take place between April 20-24, 2009.
2. By completing and returning this form, you confirm that you will install your free CFLs in the light fixtures in your Preston residence within one month of receiving them.
3. Limit 50 free CFLs per household.
4. Only one Lighting Inventory Form may be submitted per household.
5. Limit one prize winner per household.
